Aayush Acharya

has successfully completed the online, non-credit Professional Certificate

Google IT Support

Whether you've been tinkering with IT or are completely new to the field, you've come to the right place. This six-course certificate, developed by Googlers, includes industry-relevant curriculum designed to prepare you for an entry-level role in IT support. Think in-person or remote help desk work, either in small shops or at a global company, like Google!

Aayush Acharya

has successfully completed the online, non-credit Specialization

MD-102: Endpoint Administrator

Congratulations on completing the MD-102: Endpoint Administrator course! Through hands-on labs and in-depth lessons, you have mastered the deployment and management of Windows client operating systems. You've gained expertise in leveraging Microsoft Intune for lifecycle management, implementing security and compliance policies, and troubleshooting device issues using advanced tools. This achievement reflects your commitment to advancing in endpoint administration and securing enterprise environments.

A large, faint watermark of the Packt logo, featuring the word "Packt" in its signature script font, overlaid on a background of light gray wavy lines.
